## Kinderchorus Kudos

What fun we are continuing to have together. October brought us fun songs which helped us learn about beat and rhythm. Now in November we are beginning to work on our holiday music for December and our SCCC Holiday Concert. (see below)

## Holiday Concert

Hopefully all of you have our annual SCCC Holiday Concert on your family calendars. It will take place on Saturday, December 13<sup>th</sup> at St. Andrew's Presbyterian Church in Newport Beach. The concert time is 3:00 P.M. Our call time is 2:30 P.M. Participation in this concert is mandatory as part of the SCCC program. Be sure to invite your family and friends. (see ticket information below)

## Holiday Concert Tickets

Tickets go on sale Tuesday, November 18<sup>th</sup> during rehearsal for the SCCC Holiday Concert. Reserved seating, \$20, \$12, and \$6. All Kinder and Primary choristers will perform in the very beginning of the program and at the very end. In between SCCC will be providing childcare for our Kinderchorus and Primary Chorus singers where they will be treated to a video and snack!

## *Dates for the calendar:*

## Work Permits

Just a reminder that work permits were due November 4<sup>th</sup>. See our choir mom if you haven't yet done this.

**More on reverse**

## **Holiday Concert Dress**

Just a little advance notice that we will wear our “holiday best” for our SCCC Holiday Concert. Choose your chorister’s favorite dressy dress, slacks, sweaters, etc. Holiday colors always look nice if you have them. We’ll look good and sound good too!

## **Thank You**

Thank you for being on time. Each week we can get the most out of our 40 minutes together if we are on time. Of course, sometimes unpredictable things occur with very young children and that is expected. But as a rule our routines will be easily established and maintained if we all arrive on time.

## **Polo Shirts**

I have been seeing many of you wear your chorus shirts. They look great! See our choir mom for information on how to get one if you don’t have one.

## **Carpools**

Parents have inquired about carpools to chorus. Due to liability concerns, SCCC will not be responsible for establishing carpools. However, zip-code rosters are now available for those interested in forming their own carpools.

## **Scrip Program**

The Southern California Children's Chorus offers two ways to offset your tuition commitment - SEE's candy sales, and the SCRIP program. Your child will receive 75% of the profit that you earn from these fundraisers as a tuition credit. However, the efforts you put in **this** year will not be applied to your tuition until **NEXT** year, 2009-10. Some of our families have earned enough fundraising credit to pay their entire tuition. Scrip and See's Candy sales are voluntary, solely for the benefit of the parents/choristers. See page 19 of the SCCC Handbook.
